

Annual Conference

Community Sponsorship Opportunities

2020

April 24-26, 2020
Hyatt Regency DTC
Denver, Colorado

Collaborate with PSC Partners.

Together, we will find a cure.

PSC Partners Seeking a Cure provides education and support to primary sclerosing cholangitis (PSC) patients, families, and caregivers, and raises funds to research causes, treatments, and cures for PSC.

The **PSC Partners Seeking a Cure Conference** brings together close to 400 patients, caregivers, families, medical professionals, researchers, and others whose lives are impacted by PSC. The 16th annual conference, in Denver, Colorado, on April 24-26, 2020, will be held in conjunction with the University of Colorado Health and Children's Hospital Colorado.

Many conference presenters are leaders in the PSC world who come from the U.S. as well as international PSC treatment and research centers. Attendees from throughout the U.S., Canada, and other international locations, will learn about the latest research on treatments, medications, and procedures. Additionally, there are peer-to-peer support opportunities and discussion sessions with physicians and other experts.

Engaging the PSC community is a labor of love, but it also is lots of work. Achieving our mission takes a village of committed volunteers, community members, and donors.

PSC Partners Seeking a Cure, a 501(c)(3) nonprofit organization, is committed to an independent and unbiased approach to funding, research, treatments, and cures for PSC. All sponsorship support is non-exclusive.

Your investment in PSC Partners' 2020 Conference:

- Helps achieve our mission for the PSC community
- Enables us to make the event accessible to as many people as possible by subsidizing a significant portion of registration fees for all patients and caregivers

2020 Annual Conference

Community Sponsorship Opportunities

Thank you for your interest in sponsoring the PSC Partners Seeking a Cure 2020 Annual Conference, hosted in partnership with the University of Colorado Health and Children's Hospital Colorado on April 24-26, 2020, in Denver, CO.
